King Lion John Connelly(left) and speech contest Chairman Walter Robinson(right) congratulate Schuyler Wolf, seen here with his mom, on his impressive run representing the Foxboro Lions in the youth speech contest.

Schuyler Wolf 'speaks' to the Foxboro Lions

The Foxboro Lions youth speech contest winner, Schuyler Wolf, attended the March 17th regular meeting at the Stoneforge Grill. He shared with us some of the experience he acquired while competing in the contest. As most of you are aware, Schuyler made it all the way to the district level competition before being eliminated. For his unprecedented accomplishment of competing in 4 levels of the competition, Schuyler earned \$2,000.00 from the Foxboro Lions club to help further his education. In addition, a hearty thank you goes out to Lion Walter Robinson for doing an outstanding job chairing the speech contest this year. Congratulations and thanks to Schuyler and Lion Walter for making this the most successful speech contest to date.

Lions Golf Tournament on schedule for Monday, June 8, 2009

A friendly reminder that this year's Foxboro Lions Golf Tournament, to be held on Monday, June 8th at the Foxboro Country Club, is fast approaching. This year's tournament will be held on the Monday BEFORE Founder's Day, as opposed to the Monday after. Since this event is our biggest fund raiser by far, let's all do our best to ensure this is one of our most, if not the most, successful golf tournament to date.

Signs on Common get face lifts

While driving around the common recently Lion Bob Russell noticed the signs that reside at either end, the ones that list upcoming community events in town, were looking a little ragged. As most of you are aware, these signs were donated to the town by the Foxboro Lions. Lion Bob was King at the time, and Lion Bob Turenne was chairman of the committee to create these signs. When the condition of the signs was brought to the attention of the membership, it was unanimously decided that we should be responsible for their refurbishment. With this mandate from the membership, Lion Bob R. spearheaded the project to restore the signs to their former glory. So, the next time you are driving around the common and think to yourself: "Hey, for some reason I have been more aware of the community events listed on the common signs recently. I wonder why that is?" You need look no further than Lion Bob Russell, and his finely tuned eyes. Thanks Lion Bob.
